From Dr John Ollerhead, OBE MRAeS, Assistant Secretary

Invitation to our 2021/22 Season

On behalf of the RAeS Loughborough Branch Committee and our secretary Colin Moss who is currently indisposed I am writing to invite your support for what we feel sure will be another great season. There are three categories of RAeS Loughborough Branch supporter:

1. **Branch Member.** This category includes:
 - a) RAeS Members of whatever grade who have indicated in their RAeS Profile* that they wish to receive details of RAeS Loughborough Branch's activities. Irrespective of whether they have so indicated, **all** Members of the Royal Aeronautical Society may attend our events free of charge.
 - b) Non-RAeS Members who have paid an annual subscription of £15 to become affiliated to the Branch as a Branch Member. Please complete and return the application form on Page 3 along with the payment to register as a **Member of the RAeS Loughborough Branch (Previously known as a Branch Friend)**. Alternatively, please pay by Electronic Bank Transfer in accordance with the instructions provided in the application form on Page 3.
2. **Visitors.** We ask occasional visitors for a small donation on each attendance; **£3** is suggested which is in line with other branches' recommendations. However, if you plan to attend regularly it would be best to register as a **Member of the RAeS Loughborough Branch** (see (1b) above).
3. **Students.** All students, whether RAeS members or not, may attend our lectures free of charge.

We hope to see you at the **first lecture on Tuesday 12th October : Previewing the JamesWatt Space Telescope by John Thatcher who was the project manager for its mid-infrared instrument.**

Most of the things you need to know about RAeS Loughborough are described on the Branch's website www.loughborough-raes.org.uk from which copies of the Loughborough Branch's 2021/22 programme leaflet can be downloaded. When printed two-sided on A4 paper the brochure can be folded for easy reference. **High Quality Card Copies of the leaflet containing full details of the Branch's 2021/22 programme, will also be available to all Branch Members (as defined in 1(a) and 1(b) above) when they attend our meetings.**

The Events Calendar on the main RAeS website www.aerosociety.com/loughborough also contains details of the Branch's lecture programme. Its Loughborough page contains a link to our Branch website.

Throughout the season we rely on e-mail, and occasionally postal letters, to keep our supporters up to date. If you are an RAeS Member and you change either your e-mail or postal address, please ensure that your RAeS Profile* is updated as appropriate. If you are not an RAeS Member, please inform the Loughborough Branch of any e-mail or postal address changes by e-mailing loughborough@aerosociety.com. Please be assured that your contact details will never be disclosed to anyone without your permission. Bulk mailings will not list addressees. Also, in compliance with the General Data Protection Regulations, the RAeS undertakes to delete all of an individual's contact details from RAeS records within 24 hours of receiving instructions from that individual to do so. These instructions may be sent either by e-mail or post to the RAeS or to the RAeS Loughborough Branch.

**Log on to the RAeS website using your password, go to Details, then Update Your Profile and, if necessary make any changes to your Profile, click on Mailing Preferences, go down to RAeS Branches and finally, click on the Branches you would like to hear from.*
